Dance Arts Project operates its curriculum from September through June. The first half of the dance school year concentrates on the foundations of dance as students are settling in to their classes. From January through June, work begins on a show that rounds out the year.

Summer dance camps are offered in July and the studio is closed in August. New student enrollment, as space allows, is from September through December only.

Please take a moment to familiarize yourself with the 2019 tuition rates. Tuition is a flat rate fee due on or before the first dance class of each new month. Late fees will apply.

One class per week - \$80

Two classes per week - \$120

Three classes per week - \$145

Four classes per week - \$175

There are no refunds for missed classes nor may classes be pro-rated. Make-ups must be taken within 30 days or lost. Please inquire with teaching staff prior to dropping off a student for a make-up class to determine if placement is appropriate.

It is important that you take note of the dates of dress rehearsal & the show and plan for them. Dress rehearsal is mandatory for all students dancing in the show.

Visiting weeks are your chance to observe your young student in class, pick up vital information and ask any questions.
